

Application Deadlines

Session 1 — 14 March 2025

Session 2 — 31 March 2025

Fees

Administration Fee For visa application and delivery	HK\$550 (approx. US\$70)
Programme Fee Including on-campus accommodation and enrichment activities	Waived for students nominated by PolyU's exchange partners

All fees paid are non-refundable unless otherwise specified.

Eligibility

Bachelor's degree students who have good academic results, have completed the first year of study by the time of commencement of the PolyU International Summer School and have fulfilled the English requirements are eligible to apply.

All the subjects offered by the PolyU International Summer School will be taught in English. Applicants are required to have a good command of English to benefit from this programme.

“ I found that the PolyU International Summer School exceeded my expectations. Although the learning period is fairly intensive, it is balanced with ample free time to explore Hong Kong... My only issue with the summer school is that I wish it had been longer, as I never tired of exploring Hong Kong and will miss the city greatly.

BREWE Bobby, ISS 2024 participant
University of Westminster
