Where is Sheffield?

Sheffield is the UK's fifth largest city. It's home to around 500,000 people and 60,000 students.

We're right in the middle of the country, with excellent transport links to other UK cities. We are just two hours from London and one hour from Manchester by train.

We've got everything you need — from one of Europe's biggest shopping centres to theatres, art galleries, music venues and museums. As a multicultural city, you'll find shops, restaurants and speciality supermarkets that sell products and food from all over the world.

60% of Sheffield is made up of green spaces like parks, gardens and countryside. There are plenty of places to relax or explore in the city or nearby Peak District National Park.

Sheffield was voted as a top three student city in the UK by the Student Crowd 2023. We were also named as one of the best cities to visit in Europe (Time Out, 2023).

Welcome to Sheffield

Home to major music and film festivals, attracting over 100,00 people

“It was truly amazing to engage with non-native English speakers and learn more about their culture. I can’t wait to travel back one day and see all my friends.”

Lexi, business student from the USA

“What I enjoyed most about Sheffield and the UK was that it has a very multicultural society, so you meet people from all over the world. Sheffield is the perfect size and is full of students, so there are a lot of things to do and places to go.”

Cristina, film and media production student from Spain

“I enjoyed being able to practise my English, spend time with my course mates and learn more about the culture in England. I’ve gained new knowledge, technical skills and professional contacts, as well as an international point of view.”

Camilo, international tourism and hospitality management student from Colombia
